(Incorporated in South Australia)

Ela Elap Sinkhole – Site Access Conditions

The following is a summary of site access conditions for Ela Elap sinkhole:

- The diver **must be a current financial** member of the CDAA.
- Non CDAA may accompany financial CDAA members to the site to offer any surface assistance as required.
- Access to the property is on the **first weekend of each month**.
- There are four keys available to access, **one key per diver group**, with two locked access gates on the property (refer to map).
- Permission to dive is by approaching the Management of the Bellum Hotel. At which time the member **MUST** present their CDAA card for proof of financial membership.
- **No card will result in no permission to dive and no key (this is not negotiable).**
- Compressors are NOT to be used on during fire bans.
- Smoking is not permitted on site.
- A fixed ladder is place for your convenience.
- A belay rope may be needed to assist with lowering gear.
